

# Harvesting Nature's Best, Frozen Fresh

Our commitment to quality ensures that you enjoy the vibrant flavors  
and nutritional benefits of farm-fresh produce, any time of the year.

A R I F O O D S

## Freshness You Can Trust.

Welcome to WillFresh, your trusted source for premium frozen fruits and vegetables. At WillFresh, we are passionate about providing our customers with the highest quality, nutrient-rich produce, conveniently frozen to preserve its natural goodness. Our products are harvested at the peak of ripeness and immediately frozen to lock in freshness, flavor, and nutritional value.

We are committed to sustainable and responsible sourcing, ensuring that our farming practices are eco-friendly and our supply chain minimizes environmental impact. Our dedication to quality extends from the fields to your freezer, bringing you the best nature has to offer in every bite.

At WillFresh, we believe that healthy, delicious food should be accessible to everyone, and we work tirelessly to make that a reality. Whether you are looking to enhance your meals with vibrant vegetables or enjoy the sweet taste of ripe fruits all year round, you can trust WillFresh to deliver exceptional products that support your healthy lifestyle.

### **VISION**

To become the leading provider of premium frozen fruits and vegetables, recognized for our unwavering commitment to quality, sustainability, and innovation, enhancing the well-being of our customers and the health of our planet.

### **MISSION**

We strive to promote healthy living by offering convenient and affordable access to nutritious food, while also prioritizing sustainable practices and reducing our environmental footprint.

## Frozen Vegetables

### Frozen Sweet Corn

Harvested at the peak of ripeness, our sweet corn is flash-frozen to lock in its natural sweetness and essential nutrients, ensuring you enjoy farm-fresh taste and health benefits all year round. Whether you're whipping up a quick weeknight dinner or creating a gourmet dish, our frozen sweet corn provides convenience without compromising on flavor or quality.

### Frozen Corn Cob

We specialize in delivering premium frozen corn cobs, picked at their peak freshness and flash-frozen to lock in their natural sweetness and nutrients. Our corn cobs offer the perfect blend of convenience and farm-fresh flavor, making them an ideal choice for any meal.

### Frozen Coriander Cubes

Enhance your culinary creations with the fresh and aromatic flavor of our premium Frozen Coriander Cubes. Harvested from the finest coriander leaves, our product is meticulously washed, finely chopped, and flash-frozen to lock in its vibrant green color, distinct aroma, and essential nutrients. Perfectly portioned for convenience, these cubes make it easy to add a burst of fresh coriander to your dishes.

### Frozen Beetroot cubs

Introducing Frozen Beetroot, a vibrant and nutrient-rich gem that brings a burst of color and flavor to your kitchen. Harvested at the peak of ripeness and quickly frozen to lock in its natural goodness, our beetroot is a convenient and versatile addition to a variety of dishes. Packed with essential vitamins, minerals, and antioxidants, Frozen Beetroot offers a wholesome and earthy sweetness that enhances both savory and sweet recipes.

## Frozen Leafy Vegetables

### Frozen Methi (Fenugreek) Cubes

Discover the convenience and health benefits of our premium Frozen Methi (Fenugreek) Cubes. Made from fresh, high-quality fenugreek leaves, our methi cubes are carefully cleaned, finely chopped, and flash-frozen to preserve their natural flavor, vibrant color, and nutritional value.

### Frozen Spinach Cubes / Pest

Enjoy the convenience and nutritional benefits of our premium Frozen Spinach Cubes/Puree. Sourced from the freshest spinach leaves, our product is carefully washed, finely chopped or pureed, and flash-frozen to retain its vibrant color, natural flavor, and essential nutrients.

## Frozen Fruits

### Frozen Alphonso Mango Slice / Pulp

Our Frozen Alphonso Mango Slices and Pulp, where every bite bursts with the essence of summer! Handpicked from the finest orchards, our Alphonso mangoes are carefully sliced and frozen at their peak ripeness, preserving their luscious flavor and vibrant color. ### Frozen Totapuri Mango Slice / Pulp

Indulge in the vibrant taste of sun-ripened Totapuri mangoes, captured at their peak and frozen to preserve their luscious flavor year-round. Our frozen Totapuri mango slices and pulp bring the essence of summer straight to your table, delivering a burst of tropical sweetness with every bite. Our frozen mango products offer unparalleled freshness and convenience.

## Frozen Fruits

### Frozen Strawberry Whole / Slice / Pulp

Discover the essence of summer with our frozen strawberry range, crafted to perfection for your culinary delights. Whether you crave the burst of flavor from whole berries, the convenience of pre-sliced goodness, or the velvety texture of pure pulp, our frozen strawberries bring the freshness of the field to your table year-round.

### Frozen Custard Apple Pulp

Embark on a journey of tropical delight with our frozen custard apple pulp. Capturing the luscious essence of this exotic fruit, our pulp offers a taste of paradise in every spoonful. Sourced from the finest custard apples and frozen at their peak ripeness, our pulp retains all the natural sweetness and creamy texture that make this fruit truly special.

### Frozen Pink Guava Pulp

Frozen Pink Guava Pulp, a burst of exotic flavor captured in icy perfection. Sourced from the finest orchards, each velvety spoonful is a symphony of sweet and tangy notes, delivering a refreshing escape to sun-kissed shores with every taste. Crafted with care and frozen at the peak of freshness, our Pink Guava Pulp retains its vibrant hue and natural goodness, ready to elevate your culinary creations.

### Frozen White Guava Pulp

Introducing Frozen White Guava Pulp, a frost-kissed treasure brimming with tropical allure. Sourced from select orchards, each dollop embodies the pure essence of sun-ripened white guavas, meticulously frozen to preserve their delicate flavor and velvety texture.

## Frozen Fruits

### Frozen Sapodilla (Chikoo) Slice / Pulp

Experience the delightful taste of fresh sapodilla all year round with our premium Frozen Sapodilla (Chikoo) Slices and Pulp. Sourced from the finest orchards, our sapodillas are carefully selected at peak ripeness, ensuring a naturally sweet and rich flavor. Immediately after harvesting, the fruit is meticulously peeled, sliced, and flash-frozen to lock in its vibrant taste and nutritional value.

### Frozen Figs Slice / Pulp

Experience the luscious sweetness of our premium Frozen Fig Slices and Pulp. Sourced from the finest fig orchards, our figs are handpicked at their peak ripeness, ensuring maximum flavor and nutritional value. After harvesting, the figs are meticulously sliced or pulped and quickly flash-frozen to preserve their natural taste, vibrant color, and essential nutrients.

### Frozen Pomegranate Arils

Enjoy the burst of freshness and vibrant flavor with our premium Frozen Pomegranate Arils. Harvested at the peak of ripeness from the finest pomegranate orchards, our arils are carefully extracted and quickly flash-frozen to preserve their natural sweetness, juicy texture, and nutritional benefits.

### Frozen Jamun Slice / Pulp

Introducing Frozen Jamun, a unique and nutritious treat that captures the essence of this prized tropical fruit. Also known as black plum or Java plum, jamun is celebrated for its distinctive sweet and tangy flavor, rich purple hue, and numerous health benefits. Our Frozen Jamun is harvested at peak ripeness and swiftly frozen to preserve its natural taste and nutritional value. Perfect for a variety of culinary applications, Frozen Jamun adds a delightful twist to your kitchen creations.

## Frozen Fruits

### Frozen Grated Coconut

Discover the tropical delight of our premium Frozen Shredded Coconut. Carefully selected from the finest coconuts, our product is freshly grated and immediately flash-frozen to preserve its natural sweetness, rich flavor, and nutritional value. Ideal for a variety of culinary uses, our shredded coconut is perfect for baking, cooking, and adding a delicious touch to smoothies, desserts, curries, and more.

### Frozen Coconut Slices

Introducing Frozen Coconut Slices, the perfect blend of tropical taste and convenience. Carefully selected from the finest coconuts, our slices are frozen at their freshest, preserving the rich, creamy flavor and delightful texture that coconut lovers crave. Ideal for a variety of culinary uses, Frozen Coconut Slices bring a touch of paradise to your kitchen.

### Frozen Tender coconut malai

Our premium Frozen Tender Coconut Malai. Harvested from young, tender coconuts at the peak of freshness, the malai is carefully extracted and immediately flash-frozen to maintain its smooth texture, natural sweetness, and nutritional benefits. Perfect for a variety of culinary applications, our frozen tender coconut malai adds a luxurious touch to smoothies, desserts, beverages, and traditional dishes.
